LOCAL VETERANS SERVICES

Most military veterans know relatively little about their own veteran's benefits and almost nil regarding those of their dependents and survivors. West Sacramento Moose Lodge will continue to make a Veterans Service Officer available to provide information, forms and services on Monday afternoons at our Lodge and on Wednesday afternoons at the Veterans of Foreign Wars Post 8762 on Drever Street. This service is open and available to provide information and assistance to all. Please e-mail AmVetNet@yahoo.com or call 916-779-9206 to schedule an appointment.

THE MOOSE LEGION

The Moose Legion is known as being the "Degree of Service" because of the many programs it supports, but it is possibly even better known as the "Fun Degree". Our members do like to enjoy themselves! Our mission is: "To have fun while providing greater service to the Moose fraternity", and our motto is: "To do some good thing for someone each day." Each Lodge encourages and invites the most dedicated among their membership to voluntarily join the Moose Legion in their District. This like-minded group of 'doers' is expected to exercise imagination and initiative to innovate and conduct a variety of functions for the social enjoyment of the Lodge members. By so doing not only do the members enjoy their membership even more, but additional support is generated for the Lodge itself. Moose Legionnaires help to 'make things happen' as we accept our Moose missions to support: (1) Mooseheart, (2) Moosehaven (3) Community Service – and we are expected to be mature and creative enough to accomplish these missions in a manner that is FUN for all! Please remember that the Annual Moose Legion Picnic is open to all; and is scheduled for Sunday 15 September. This is the best family deal in town. Imagine, All-you-can-Eat & Drink, only \$5. For Moose Legion members and \$8 for all others. There is food galore and FUN activities for the kids. This is a wonderful opportunity to come experience camaraderie with Moose "DO'ERS" from all 12 Moose Lodges in our District #4. "Picnic details on the Lodge bulletin board or ask an officer or Moose Legionnaire."

GOVERNORS MESSAGE

We had another great few months. Our Lodge cleanup was a huge success, thank you to everyone that came out to make it such a great success! We are constantly seeking volunteers willing to lend a hand in various ways such as cooking a meal, lending a hand in the kitchen, running food, tending the social quarters, shopping, etc. We are actively seeking members willing to oversee and form some of our committees such as Communications, Auditing, Loss Prevention; if you are interested in assisting or have any suggestions please let me know. As a reminder, the success of our Lodge does not solely rest in the hands of our leadership but rather in the continued support, assistance and participation of our membership as a whole.

Kyle LaPerle - Governor

ADMINISTRATORS MESSAGE

Well we just finished up our first quarter of the new fiscal year and things are starting to smooth out. The new younger Board of Officers have been coming up with some very good ideas and have put on some great functions. They have gone to great lengths to help clean up the Lodge and to create a Building Fund to help pay for a much-needed new roof which will not only enhance our facility and along with the cleaning and refreshing of the interior and exterior will hopefully bring in some new members. We need to see some of you coming to the Lodge and help us to do even more great things. Volunteers are the life blood along with new membership production to create a great place to come to and meet and become friends and enjoy yourself. Thanks.

George - Administrator

MOOSE - CREATE OUR FUTURE

May 1, 2019 - April 30, 2020

The future of our Mooseheart children's education and well-being depends on what we do today. The responsibility to continue to provide what we promised to our senior members rests with us now. It's up to US to make sure that there IS a future! To do so, we need to Create Our Future now.

The best way to do so is to introduce our friends and family to the Moose. Sponsor a member today so that we can grow the Fraternity for the future. We may never enjoy the shade of the trees that we plant but our legacy will live on in the hearts of those that we support.
