Henry Weaver  
President

Charles Dombrow  
Secretary

# ***IMPORTANT***

March 12, 2012

Effective immediately the Union Bank will stop accepting checks made out to the Association using abbreviations such as CNMA. When writing a check to the Association you must spell out the following "**California Nevada Moose Association**". It is recommended that each District purchase a STAMP to ensure the correct name is present on each check wrote to the Association. Use the memo section at the bottom left of the check to designate what it is for.

District Presidents please make sure your District Secretary is aware of this new procedure or we could have a paperwork nightmare.

Association Secretary

Chuck Dombrow
