

Hello everyone,

I became the Special Olympics coordinator for CA/NV last Sept. Since I became involved, I have reached out to our local Special Olympics coordinator (outside of the Moose) to get ideas to help get other lodges more involved with there local area kids. I'm telling ya there is not a feeling in this world better than helping special kids or adults.

In my further journey I want to help lodges get more involved with there local Special Olympians. Whether its donating money, coaching or throwing fundraisers. I would like to answer any questions I can and if I can't I'll find it some how. So please don't hesitate to email me at myersroddy9@gmail.com. If need be I will even come to your lodges. I would like all lodges to give updates on what they are doing and any ideas you have or are doing with special Olympics.
