

COMP MAIL MEMBER

To enter someone for mailing labels without adding them to the fraternal unit membership they must be entered as a **Comp Mail Member**. As an example if you wanted to add a State Officer or Deputy Grand Regent to your fraternal unit mailing list you would follow this procedure.

Go to the **Applications** area of LCL by clicking the **Applications** tab.

The screenshot shows the LCL.net Workspace interface. At the top, there is a blue header with the text "LCL.net Workspace" and a menu bar with "File", "Go To", and "Help". Below the header, there are two input fields: "Chapter Number" with the value "1464" and "Chapter Name" with the value "Oxnard". Below these fields is a row of four tabs: "FRU Information", "Members", "Applications", and "Sponsors". The "Applications" tab is highlighted with a blue border and an arrow pointing to it from the right.

Click the  button.

This will bring up a screen for entering the necessary information for the **Comp Mail Member**.

The Application Date will default to today's date. Click the **Application Code** drop down arrow to enter the appropriate Application Code, which is "**L - Comp Member**".

The screenshot shows the "Application" form. It has a title bar "Application" and several fields. The "Application Number" field contains "51000408". The "ApplicationDate" field contains "12/22/2009" and has a dropdown arrow. The "Application Code" field is empty and has a dropdown arrow. The "Application Status" field contains "1 - New". The "Date Entered" field contains "1 - Multiple Membership". The "Ballot Date" field contains "3 - Reinstate". The "Report Date" field contains "5 - Transfer In". The "Application Code" dropdown menu is open, showing a list of options: "1 - New", "1 - Multiple Membership", "2 - Re-Enroll", "3 - Reinstate", "5 - Transfer In", and "L - Comp Member". An arrow points to the "L - Comp Member" option.

It should be noted that only a limited amount of fields are necessary to enter a **Comp Mail Member** (i.e., Name and Address), however there are other available fields that can be populated. Those items that are not needed are "grayed" out.

Enter the **Comp Mail Member** name and address and any additional information that you may want to populate for the **Comp Mail Member**.

Notice that there is a special series of Member ID numbers for **Comp Mail Members**.

Click the  button. The **Comp Mail Member** will now reside in your LCL database under the **Inactive** tab within the **Members** area of the LCL net database.

To display the **Comp Mail Member** you will need to select the **Members** tab, then select the **Inactive** tab, and then click the drop down arrow under the **Status** to select **Comp Mail**. This will display all members in your LCL database who are **Comp Mail Members**.
