

HOW TO RECORD DUES AND FEES IN QUICKBOOKS 2007

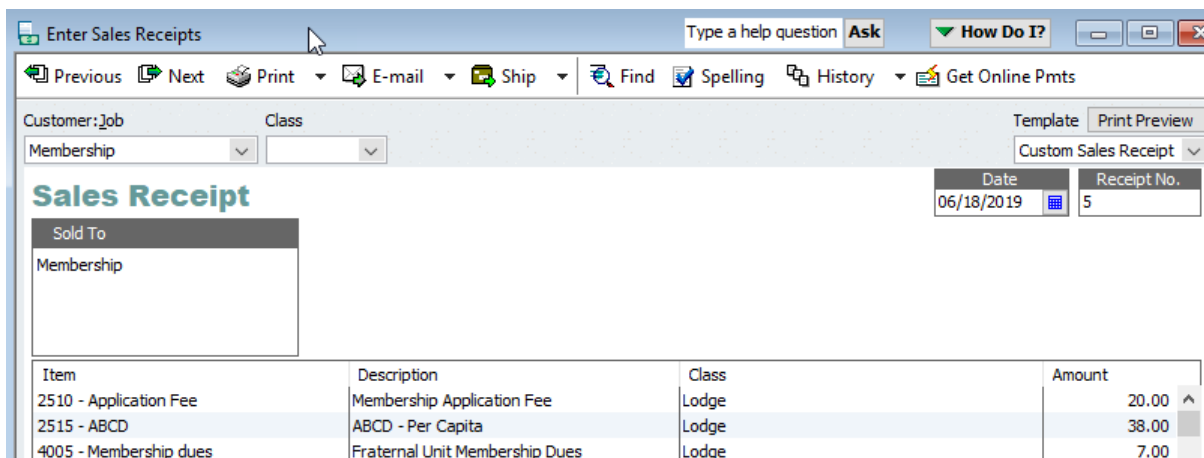

When dues and fees are collected for new applicants, transfers, reinstatements, and re-enrollments, create a manual receipt as required by the General Laws. **NOTE:** The Official Business Receipt is the only receipt book for the WOTM. **NOTE:** If the dues collected are for dues that must be sent to the lockbox (centralized dues collections) use the “**MEMBER DUES PROCEDURE**”.

The distribution of the dues and fees collected is entered in QuickBooks (QBs) using the “**Enter Sales Receipts**” screen:

LOOM Membership Dues	\$38 to 2515 and balance to 4005
WOTM Membership Dues	\$22 to 2515 and balance to 4005
LOOM Application Fee	\$20 to 2510
WOTM Application Fee*	\$20 to 2510
WOTM Re-enroll Application Fee*	\$20 to 2510

***According to the General Governor’s office a check **from the member** for the full amount of the life membership (which is currently \$1,000) is forwarded to the MI lockbox. A portion of the submitted fee will be retained by MI, and the remainder will be deposited to the member’s lodge through the centralized dues process. **The MID and the words “Life Membership” should be annotated in the memo line of the check.** See Section 31.1 of the LOOM General Laws for the rules regarding a LOOM Life Membership.

****In accordance with the WOTM general laws, a member who wishes to purchase a life membership is to remit a check for \$400 to the MI lockbox. \$250 of the fee submitted will be retained by MI and \$150 will be deposited to the member’s chapter through the centralized dues process. The MID and the words “Life Membership” should be annotated in the memo line of the check. See Section 35 of the WOTM General Laws for the rules regarding a WOTM Life Membership.
