

MOOSEHAVEN CENTENNIAL PROJECT AWARDS PROGRAM

Your California/Nevada Moose Association Special Projects Committee has developed a Recognition Awards Program available to all Fraternal Units, in or outside of the California/Nevada Association boundaries, to provide recognition to those Fraternal Units, Special Activity Groups, Committees and Individuals, at various stages of donation achievements. It consists of a multiple step program based on monetary donation achievements and is based on the minimum total donation expectation for the three year program of \$1005.00. The steps and minimum donation ranges for achievement are as follows:

Step 1. Will be a Certificate of Achievement and will be awarded when your donation level reaches the total of \$335.00.

Step 2. Will be a Certificate of Achievement and will be awarded when your donation level reaches the total of \$670.00.

Step 3. Will be a Certificate of Achievement and will be awarded when your donation level reaches the total of \$1005.00.

Step 4. Will be a Certificate of Achievement and will be awarded when your donation level reaches either \$2010.00 or whatever your total donation is at the announced official date the program ends.

Step 5. Will be an appropriately engraved Plaque and will be awarded when your donation level reaches \$3015.00.

Step 6. Will be and appropriately engraved Plaque and will be awarded when your donation level reaches either \$4020.00 or whatever your total donation is at the announced official date the program ends.

Step 7. This step and any additional steps beyond will be the same as Step 6, except a rise in donation level of \$1005.00 per step. ADDITIONALLY, there will be an appropriately engraved Special "ASSOCIATION TOP DONOR" Award for the highest total donation received.

Good Luck to everyone, in your quest to be **#1**.
