Brothers and Co-Workers

The Heart of the community has been working with Shriners Hospital, In doing so we would have our Tommy Moose mascot handing out Tommy Moose Dolls, to the children. We will be going to Sacramento, CA Shriners in the north and Pasadena, CA Shriners Hospital in the south. On any giving day there could be up to 600 children going threwh the hospital.

WE NEED YOUR HELP !! Achieving this, we don't want any child left out. Any monetary donation or Tommy Moose dolls will help us. Please help achieve this.. your donation will make a lot of children happy in time of need.
